

# Our Commitments (English version)

At El Paradis Cosmetic, we believe African beauty deserves safe, effective, and respectful skincare. Since our inception, we have been committed to offering more than just cosmetics — we deliver a true care experience, rooted in quality, ethics, and innovation.

All our products are formulated in our modern laboratory, using carefully selected raw materials. We strictly comply with CODINORM standards and all applicable cosmetic regulations in Côte d'Ivoire.

## Made in Côte d'Ivoire

We are proud to be an Ivorian company that manufactures its products locally. This strengthens our quality control, supports the national economy, and ensures our formulas are tailored to the realities of the African continent.

## Awards & Recognition
